Subject: Official Recognition and Global Endorsement of Santo Catholic Mission

To Whom It May Concern:

As Bishop of the Syro-Malabar Catholic Eparchy of Mississauga, I hereby formally recognize, endorse, and confer my episcopal blessing upon the evangelical ministry of Mr. John Jofin and the Santo Catholic Mission.

The Santo Catholic Mission represents a group of devoted Catholics in Edmonton, in the Syro-Malabar Catholic Eparchy of Mississauga, working under the vision of John Jofin and his dedicated Catholic team. Their ministry demonstrates exceptional zeal in proclaiming the Gospel while maintaining full communion with the Holy See and steadfast adherence to the teachings of the Magisterium. Their work exemplifies the call of our Holy Father to share the joy of the Gospel with all people throughout the world.

By virtue of this official recognition, I explicitly authorize and encourage John Jofin and the Santo Catholic Mission to establish connections and collaborative relationships with Catholic dioceses, parishes, organizations, and apostolates throughout Canada and other parts of the world. I affirm that they are worthy ambassadors of the faith who may represent their mission in ecclesiastical, educational, and charitable contexts worldwide.

I extend my formal approval and blessing to John Jofin and the Santo Catholic Mission in their endeavors to proclaim the faith. I wholeheartedly commend them to the wider Catholic community, media organizations, episcopal conferences, and other ecclesiastical authorities globally as authentic witnesses to Christ and His Church whose ministry deserves recognition and support.

This letter serves as official recognition of their ministry, confirmation of their good standing with the Catholic Church, and my personal endorsement of their outreach efforts to Catholic communities around the world. I encourage my brother bishops and all Catholic leaders to welcome them as faithful servants of the Gospel.

Cordially In Christ,

+ Bishop Jose Kalluvelil
Eparchy of Mississauga
