## To Whom it May Concern

I am so delighted to introduce to you the **Santo Catholic Mission**, a media and technology Evangelization ministry, started by Mr John Joffin and his family with the approval of Mar Jose Kalluvellil, Bishop of the Syro Malabar Eparchy of Mississauga, Canada. I endorse this endeavor of Jofin family for communicating the gospel of Jesus Christ in this technologically advanced situation of modern world. Founded during the Covid-19 pandemic in February 2020, today this ministry brings together a dedicated global catholic team merging faith with technology to provide digital spiritual tools for the faithful worldwide. What began as a family initiative to share daily Rosary prayers during church closures has blossomed into a wonderful apostolate for reaching believers in over hundreds of countries now. Their core initiatives include:

**Santo Holy Rosary Mission**

**Santo Holy Mass/Qurbana Mission**

**Santo Catholic App:**

**Santo Catholic Kids club**

I appreciate their work for the Lord giving faith formation to those who are involved in the modern technological world where a lot of clarity and certainty requires. Let this ministry be fruitful carrying the work started by the Lord in the transformation of this world. I bestow my blessings upon all who are involved with this ministry.

In Prayer,

+ Joy Alappatt

Bishop St Thomas Syro Malabar Eparchy of Chicago
