Prot. No. SL/10/2026

17 March, 2026

Re: Episcopal Recognition & Endorsement of **Santo Catholic Mission**

The Diocese of Cochin is pleased to extend its formal episcopal recognition and endorsement to Santo Catholic Mission, Edmonton, Canada — a Catholic digital evangelization apostolate founded and led by Mr. John Jofin and Mrs. Simmy Jofin, natives of this Diocese.

Having carefully reviewed the mission's vision, activities, and commitment to authentic Catholic values, we recognize in Santo Catholic Mission a genuine apostolic zeal that serves the faithful of the Universal Church. The Santo Catholic App and the forthcoming Santo Kids faith formation platform demonstrate a dedicated effort to bring prayer, catechesis, and Catholic content to the faithful across the world — accessible, trustworthy, and rooted in tradition.

EPISCOPAL ENDORSEMENT

In light of their faithful adherence to Catholic doctrine and their communion with the Universal Church, the Diocese of Cochin hereby:

1. Grants official episcopal recognition to Santo Catholic Mission as a Catholic evangelization ministry in good standing under the Diocese of Cochin
2. Authorizes their collaboration with parishes, dioceses, and Catholic institutions throughout Kerala, across India, and globally
3. Commends the Santo Catholic App and Santo Kids platform to the faithful as a trustworthy source of Catholic prayer, catechesis, and faith formation
4. Encourages all clergy, religious, and lay faithful of the Diocese to support and promote Santo Catholic Mission in their parishes, communities, and families

This recognition is granted with our prayers and apostolic blessings for the continued fruitfulness of their apostolate, and our confidence that their work will bear lasting fruit for the glory of God and the building up of His Church.

In the service of Christ and His Church,

+ Most Rev. Dr. Antony Kattiparambil
Bishop of the Diocese of Cochin
Diocese of Cochin, Kerala, India
